

# Repartició de classes per membre del grup

---

## Alexis:

domain/controller/data/UserDataController.java  
domain/controller/data/DataController.java  
domain/controller/GameController.java  
domain/controller/DomainController.java  
domain/test/DebugReceiver.java  
domain/test/AlgorithmTest.java  
domain/model/Receiver.java  
domain/model/player/computer/DummyComputer.java  
domain/model/player/UserPlayer.java  
domain/model/player/ComputerPlayer.java  
domain/model/Game.java  
presentation/controller/PresentationController.java  
presentation/controller/receivers/TerminalReceiver.java  
presentation/Utils/TerminalUtils.java  
presentation/Utils/TerminalMenuBuilder.java  
presentation/TerminalMastermind.java  
persistence/Utils/FileUtils.java  
persistence/Utils/Base64Encoder.java  
persistence/DataModel.java

## Elena:

domain/controller/UserController.java  
domain/controller/StatController.java  
domain/model/exceptions/CommandInterruptException.java  
domain/model/exceptions/FinishGameException.java  
domain/model/row/ControlRow.java  
domain/model/row/ColorRow.java  
domain/model/player/computer/FiveGuessComputer.java  
domain/model/User.java  
domain/model/player/Player.java  
presentation/Utils/Constants.java  
presentation/model/Turn.java  
presentation/model/Board.java  
presentation/view/BoardView.java  
presentation/controller/BoardController.java  
persistence/model/UserDataModel.java  
persistence/model/GameDataModel.java  
persistence/model/StatDataModel.java

## Oriol:

domain/test/drivers/DummyComputerDriver.java  
domain/test/drivers/ColorRowDriver.java  
domain/test/drivers/ComputerPlayerDriver.java  
domain/test/drivers/UserDriver.java  
domain/test/drivers/UserPlayerDriver.java  
domain/test/drivers/GameDriver.java  
domain/test/drivers/ControlRowDriver.java  
domain/test/drivers/FiveGuessComputerDriver.java  
domain/test/drivers/GeneticComputerDriver.java  
domain/test/unit/GameUnitTest.java  
domain/model/player/computer/GeneticComputer.java  
presentation/TestMastermind.java  
presentation/VisualMastermind.java
